

DID YOU KNOW?

Your neighborhood, Stapleton, was named after KKKlansman #1,128, Benjamin Stapleton.

Stapleton was the KKK's candidate, elected for mayor of Denver in 1923. He served as the Mayor of Denver for 20 years.

During his tenures, Stapleton made numerous Klan appointments including two Klansmen as Managers of Safety and a Klansman as Chief of Police.

"The signal the Klan government emanated to the rest of the world was that if you're Catholic, Jew or black, you're not welcome in Colorado."

- Richard Delgado, University of Colorado law professor, 1999
